RECOMMENDED ACCOMMODATIONS:

<https://cottagesonsaltspring.com/about-the-cottages/> \$\$ and you can share it. I love these cottages, modern interiors with fully equipped kitchens. It's a lovely property on a small lake. A 10 minute drive from the venue. It does require a car. There will likely be others in attendance staying here too but I don't know who yet.

<https://www.hastingshouse.com/rooms-and-rates/> \$\$\$ This is a harbour front waterfront property. Lovely gardens. A 20 minute walk or 5 minute drive from the venue. Rosalie and George might be staying here but they haven't confirmed this. If it matters, Maureen may want to ask Rosalie.

<http://www.saltspringharbourhouse.com/hvd/> \$\$\$ All new hotel. Across from the harbour front, and close to Hastings house. About a 20 minute walk or 5 minute drive.

Many STVRs (short term vacation rentals) on Salty. Try Airbnb, VRBO etc.
